Tuition for 2009-2010 is \$15,210.00 (Freshman deposit \$800.00; \$550 towards student fees and \$250.00 towards tuition.
Balance of freshman tuition is \$ 14,960.00).

I realize that the continued generosity of SI benefactors is the reason that I am receiving financial aid in the amount of \$ _____. Although I know that my grant is not a loan, I promise to make every effort to repay the Ignatian Scholarship Fund when I am able to do so. In doing so, I will be helping a future SI student in the same way that I am being helped today. Accepting financial aid requires payment of the remaining tuition charges.

Families have three options for the payment of tuition (\$14,960.00 less financial aid received):

(check one)

- One payment made payable to St. Ignatius College Prep:
 - **Due July 1, 2009:** (\$200 discount may not be taken if the amount of financial aid is greater than \$3500)
**Payment must be received by July 15th 2009 to receive the discount.*
**Please write student's full name and year of graduation in the memo portion of check*

- Two semester payments made payable to St. Ignatius College Prep:
 - **Due July 1, 2009:** (\$80 discount may not be taken if the amount of financial aid is greater than \$3500)
Due Dec. 1, 2009: (\$80 discount may not be taken if the amount of financial aid is greater than \$3500)

**Payments must be received by July 15th and December 15th, 2009 to receive the discount.*
