### **Opening Prayer**

Inspired by Rita's recent silent retreat in Iowa, Rita's reflection focused on praying for the people in our lives, whether they are our kids, spouses, friends, family; but also those who we randomly cross paths with, those we have conflict with. You might not immediately realize it or understand why but for good or bad, people in your life serve a purpose. Some are there for a lifetime and others are merely just passing by. They can be there to teach you a lesson or to provide support through a difficult time. Embrace them.
