

why we <3 CORNELL NOTES

KEY POINTS & QUESTIONS

KEY POINT DESCRIPTIONS,
IMPORTANT IDEAS OR
CONCEPTS & ANSWERS TO
QUESTIONS ON THE LEFT

CORNELL NOTES give you the space to think through your ideas while listening to a lecture or outlining a textbook. Place discussion questions or questions that you have for your teacher on the left. All notes, descriptions or important facts go on the right. Every time you finish a page of notes, go back and summarize what you've learned on the bottom.
