

ST. IGNATIUS COLLEGE PREPARATORY

EDUCATE. INSPIRE. LAUNCH.

Dear Students, Parents and Guardians,

Since we've been teaching and learning differently this quarter we will need to approach final exams differently.

- The administration has decided that the academic year will conclude on Friday, May 22.
- We will not have a traditional final exams week.
- We will use this way of proceeding whether or not we come back to campus in May.
- At this point we will not be moving to a Pass/Fail grading system.
- We will continue with our modified digital learning schedule (Day 1, Day 2, Wednesday Brain Break, Day 1, Day 2) for the remaining five weeks of the semester when we return from Easter Break.

Teachers have been informed that they do not need to give a formal in class final exam and teachers should be communicating to students whether or not they will be giving a final exam. Instead teachers are encouraged to assign culminating projects/activities that mirror the digital learning experience they've given the students during the 4th quarter. If a teacher chooses to give an in class final exam it:

- should not exceed 40 minutes
- should not count for more than 10% of the final grade
- must be given during the assigned class period during the week of May 18 or before.

Thank you, parents and guardians, for your support, partnership and flexibility during this time. I also want to thank all of the students, teachers and counselors who continue to meet this challenge with grace and positivity. I think of you everyday and I can't wait to see you again soon! Have a wonderful Easter break.

Take care,

Danielle Devencenzi Cronin
Assistant Principal, Academics
St. Ignatius College Preparatory

As we continue to navigate through these uncharted waters and in the spirit of continuous improvement, we would like to hear from you. Would you please take a moment and follow this link to a survey about our Digital Learning Protocol. Your feedback is important and will assist us in making this new tool even better.
