

THE BEACH GAME

In 2015, the St. Ignace student council coined the second game of the varsity boy's basketball game as "The Beach Game!" This naming of the game created additional excitement for an already popular game to attend. After 5 years, this game has not disappointed with huge crowds and loud cheering sections. This event is one of only a few when the SI Red Sea cheering section takes over the North end bleachers. It's a spirited Red Sea student group decked out in beach wear, sandals, sunglasses and other beach-themed attire.

It's a can't miss night of fun and basketball in McCullough Gymnasium!
