

# ST. IGNATIUS COLLEGE PREPARATORY

## EDUCATE. INSPIRE. LAUNCH.

Dear Students and Parents/Guardians,

While we're away from our physical campus, learning in new formats, we wanted to let you know the ways in which both your Personal/Academic and College Counselor(s) will be available to you.

As always, you can email your Counselor a question or request a time to check-in. All previously scheduled appointments will not be assumed to take place at the scheduled time. If you have a standing appointment, please contact your Counselor to find a time that works.

Each counselor will have google [hangouts/chat](#) opportunities, phone calls or [zoom](#) conference options. Your Counselor will be in contact directly to share their availability for this. Please note that there is not a normal promise of confidentiality during these communication methods. As counselors, we will abide by normal confidentiality standards, but interactions on the internet are simply not as secured as an in-person conversation in our office.

Finally, we wanted to notify you that SI is not able to host the SAT scheduled this Saturday, March 14. While the information may take a while to be up and running on the [College Board site](#), the latest communication we have seen is that tests may be canceled and refunded for the March 14 administration in areas affected by COVID-19. We encourage you to register for the [May](#) or [June](#) test administration as soon as possible. As counselors, we are unable to facilitate any of these changes. Only the student or family members are able to do so. Communication will be sent separately to students who have received fee waivers. Please don't hesitate to reach out to your College Counselor if you have any questions.

We know that this is a time that is out of the norm and a bit unpredictable. We're here to check-in and help you with whatever you need. As a reminder, crisis lines can be reached at:

Youth Crisis Text Line: 741741

California Teen Crisis Hotline: 1-800-843-5200

If it's an emergency: 911

Sincerely,

Your SI Counseling Department

St. Ignatius College Preparatory
